[REDACTED]

Gentlemen:

Attached are three (3) copies of [REDACTED] between the United States Government and your company. 25X1A

This contract provides a method and establishes procedures whereby the Government shall order and the Contractor shall furnish engineering and/or consultant services of the type proposed in your letter of 2 July 1958, subject, P-1356.

It is our intent, from time to time, to request analysis and/or studies to be conducted by your organization. Generally, the problem will be presented to you and a cost quotation for accomplishing the work will be requested. Assuming acceptance of your quotation and proposed method of accomplishing the work, a written directive signed by the Contracting Officer will be forwarded to you authorizing you to proceed. It is anticipated that this directive will stipulate a dollar amount which shall not be exceeded unless further written approval from the Contracting Officer is given. 25X1A

[REDACTED]

If there are any questions or clarification of some point in the contract is required please do not hesitate to call us immediately.

If you are satisfied with the arrangement we are proposing, please indicate your receipt and acceptance of [REDACTED] 25X1A
